Non-compliance with any items below will result in non-refundable termination from participation in event. Vendor space will be approximately 10x10, (more space available if needed) on the lawn in the park. To reserve your space, full payment must be included with your completed application. Visa, MasterCard & Discover accepted.

- **Hours:** All booths are required to be set-up and ready by 5:15p.m. Break-down can begin at 7:30p.m. Please be advised, you are contracted to stay the entire time as stated.

- **Electrical:** Power is not guaranteed. When power is provided (portable generators or otherwise), Vendor agrees to hold the Redmond Chamber of Commerce harmless for loss of revenue and/or wasted food damages caused by any loss of power due to technical malfunction, human error, or for any other reason. The Fire Marshall requires that you duct tape all extension cords. You must use 10-gauge extension cords.

- **Clean Up & Garbage:** Vendors must provide one garbage can in front of their booth for public use. You are responsible for taking your garbage to the dumpster. As a city regulation, ice must be dumped in tree wells, not on the grass. We just ask that you please make sure that your booth space is cleaned after each concert.
